

Dearest Fans ...

It has been brought to my attention that the person who bought my 2011 Fillmore poster that I signed is claiming the signature is a fake. IT IS NOT. I signed 3 posters and 3 t-shirts for the Tazzy Fund - Rock The Dogs - to auction off. This is a charity that Mike Campbell from Tom Petty and the Heartbreakers, and his wife Marcie - are co-chairs of. I am surprised that my signature would be questioned when it is an auction supplied by Mike Campbell, after all - I am - an "honorary - Heartbreaker."

This is a very worthwhile organization that is very important to me. I recently adopted a little Yorkie rescue from them because Sulameth Wulfinq needed a friend after losing her Sara Bella Donna in February.
